Heart of Missouri United Way

Your investment changes lives. When you give to Heart of Missouri United Way, you fund programs and services serving the most vulnerable in Boone, Cooper and Howard Counties.

Each year, dozens of volunteers spend more than 400 hours reviewing the agencies and programs, identifying those that have the greatest impact on community outcomes and ensuring your investment fuels the best results.

While many great organizations meet the day to day requirements of our neighbors in need, United Way plays a unique role. Through collaboration data-driven grant making, and equity mindedness we seek to drive generational change and end the cycle of poverty in the heart of Missouri.
