GIVE 5

Retiree Civic Matchmaking Program

Looking for a place to match your skills and interests
with nonprofit organizations in need of volunteer help?

Give 5 may be the program for you!

About the Program:

Give 5 is an innovative, free, community-based program designed for Boone County residents. The program matches participants with nonprofit organizations addressing our city’s primary areas of need and helps re-establish purpose and meaning in retirement.

Give 5 provides retired baby boomers with the opportunity to go behind the scenes of Columbia’s most interesting nonprofit organizations and public service agencies. Over five program days, classmates are to visit more than 20 organizations, getting a “taste test” of volunteer opportunities and an understanding of the needs these organizations address.

At the end of the program, participants are asked to consider committing to five hours of volunteerism per month to the cause(s) of their choice. Give 5 began in Springfield, MO. In the program’s first year alone, Give 5 volunteers provided an estimated \$300,000 in time value to Springfield and Greene County nonprofit organizations.

“When we decided to retire at the end of 2017, we began looking at what we might do with our time when this happened. We truly believe we’ve been BLESSED and need to give back to our community. WOW, what an experience! We believe this program is exactly what retirees need to keep themselves active and productive for our community. We know there are many ways for retirees to get involved, but this program allows them to get familiar with the organizations. We learned a lot about our community and the non-profit organizations within our community. Out of these organizations we chose three to volunteer our time, Community Partnership of the Ozarks, Springfield Public Schools and Senior Age.”
